

**Message from Conference Chair
Winky Jenkins-Rice**

This year's conference will be an exciting new venture for our CHILD colleagues. In keeping with our more familiar CHILD conference, there will be concurrent sessions of interest for CHILD teachers and leaders, ISI awards, a school poster session and Leadership dinner. In addition, ISI is partnering with IAIE to offer broader opportunities for CHILD participants to learn more about Invitational Education. We hope you will take advantage of this special opportunity to expand your educational horizons.

CHILD participants may choose to attend the entire IAIE conference or attend Friday and Saturday for the more CHILD-specific activities. CHILD attendees will be able to attend the Luncheons, General Sessions as well as the concurrent sessions which are applicable to either CHILD or IAIE.

Hotels

Accommodations are available at several hotels, all within a couple miles of the conference site. See hotel contact information on the website.
